

### Mark Meredith promoted to Partner

We are delighted to announce that Mark Meredith, presently our Senior Casualty Manager, will become a Partner of the Firm effective 1 January 2022.

In his new role, Mark will head up the Firm's 'wet' shipping offering to cargo insurers and their insureds, with specific responsibility for Lloyd's Open Form Salvage disputes, including those arising from high profile shipping disasters.

Mark brings over 20 years experience to his role both in London and New York, having previously worked for Clyde & Co, Waltons & Morse (now Kennedys) and WK Webster.

Mark's promotion neatly follows on from Joanna Waterfall's departure from the Firm after 8 years as a founding Partner and 2 as a Consultant. Jo leaves with our immense gratitude for her role in building the shipping Casualty side of our business.

Mark is the Firm's second new Partner this year after the arrival in April of Phil James from Weightmans.
